In 1919, The American Legion was founded on four pillars: *National Defense, Veterans Affairs & Rehabilitation, Children & Youth and Americanism.*

Each of these pillars encompasses a variety of programs that benefit our nations’s veterans, its service members, their families, the youth of America and ordinary citizens.

**When all our family pay their dues in a timely manner we will be able to run our programs, pay our bills and maintain building upkeep!**

**“Be the One” has and is saving lives!**
